# CLASSIQUE

**Australian Select Timbers is proud to offer  
a unique hardwood flooring range:  
Hickory Impressions Classique**

Taking design, strength and craftsmanship to extraordinary new heights, Hickory Classique flooring offers long-lasting durability. With a harmonious blend of natural elegance and hardness, it will stand up to tough daily wear and look beautiful for years to come. These features set it apart from many other engineered timber choices, making Hickory the must have flooring for any home.

Perfectly suited  
for both modern  
and traditional  
interiors

The Hickory Impressions Classique range consists of 12 classic colours, all featuring the stunning characteristics of American Hickory hardwood.

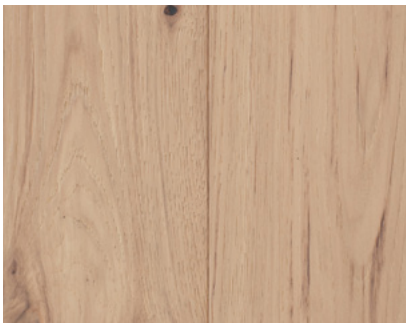

## The Origin of Hickory

Hickory is a stable hardwood that has been relied on throughout history for its versatility with its origins dating back to Native America.

Sought after for many applications due to its strength, and durability, Hickory Hardwood has evolved from old fashioned tool handles and wooden wheels, into sporting materials like baseball bats, manufactured into furniture and of course into Hickory Hardwood flooring due to its hardness and unique character in the grain.

# Hickory Impressions is your environmentally sustainable choice

At Australian Select Timbers we take pride in our  
commitment to sustainability.

Hickory Impressions uses up to 90% less Hickory in the top veneer when  
compared to a traditional solid Hickory floor. We are proud to contribute  
positive change to the flooring industry by reducing our impact  
on the environment by selecting only certified and forestry  
managed plantation timbers.
